

AFS PIEDMONT CHAPTER
ROY EGGLESTON MEMORIAL GOLF OUTING
HILTON HEAD, SOUTH CAROLINA
May 17-18, 2007

By: Jamey Jones

The AFS Piedmont Chapter held its 2007 annual Roy Eggleston Memorial Golf Outing in Hilton Head, South Carolina. Many thanks to all who helped arrange the outing including **Ted Kostilnik** for creating and executing the program, his wife **Catherine** for arranging the spouses' program, and to **Don Brown** for orchestrating the two rounds of golf and for also arranging the golfing awards. Lest you think that this was just a golf outing, Ted's official title for the event was "Sand and Water Control Using Impact Devices".

The Thursday events included a Captain's Choice golf tournament at Shipyard Golf Club, followed that evening by an excellent dinner at the Holiday Inn Oceanfront. Several wives were in attendance, and several chose to take part in the spouse's program that included a trip to The Sanctuary day spa. Following the Thursday evening dinner, **Ted Kostilnik**, outgoing Chapter President, presented several gifts and service awards before formally turning over his Chairman's gavel to **Robbie Gallagher**.

Friday opened with another round of golf at Shipyard followed by an Italian buffet lunch poolside at the Holiday Inn, presentation of golfing awards, and gifts for all golfers.

A few photos of the festivities are shown below ...
